

Bharat Borude

Data Analyst

📍Chhatrapati Sambhajinagar 📞+919172083929 ✉️bharatborude23@gmail.com

Summary

An data enthusiast with deep knowledge in data analysis, also i completed my master's in Computer Science at Dr.Bamu Chhatrapati Sambhajinagar(Auranagabad) . i would like to contribute my knowldge and skills to developmenet of organization andmy self.i am eager to do hardwork,time mangement to improve my skill and strength.

Experience

Avro Technologies

Software Developer

AvroTech

While working for this company , we build various applications which primarily focuses on social and commercial uses. We used Web development tools like PHP,HTML,JavaScript,java,etc.

Education

Dr. Babasaheb Ambedkar Marathwada University Chhatrapati Sambhajinagar

Oct2021-July2023

Computer Science

Post Graduation

7.74

<http://www.bamu.ac.in/>

In this era of Master degree, i learn various technologies such as Machine Learning,Data Mining,Data Warehousing,Computer Network,Software engineering,Computer Graphics etc...

Shri Muktanand Collage, Gangapur

june2018-may2021

Computer Science

Graduation

72.83%

Projects

Jan2023-May2023

Invoice Number Detection using OCR

This system help companies to store the image of invoice to the database using their invoice number. We used the OCR technique for text recognition of images.

Python,OCR,Tkinter,OpenCV.

Customer Segementation using Machine Learning

May2023-Jul2023

Create a Machine Learning model for segmentaing the customers using the K-Means Clustring Algorithm.used dataset of 24000+ Customers,with accuracy of 94%.

Python, K-Means Clustering ,Kaggle

Skills

Machine Learning

■ ■ ■ ■ □

Python,K-Means,Naive Bayes,Linear Regression,Logistic Regression.

Data Analysis

■ ■ ■ ■ □

Python, Pentaho,Power BI,Excel, Weka ,Data Mining and Cleaning
